COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

Sir:

The short characterization of the allowed claims given on page 2 of the Notice of Allowability mailed April 7, 2004 and the Notice of Allowability mailed September 14, 2004, does not accurately identify elements of all the claims. For example, although claims 8, 10, 31, 35 and 37 specify a charge trapping dielectric, other claims do not. In deed, many of the other claims specify floating gates.

Respectfully submitted,

Gerald P. Parsons
